A VISUAL GUIDE TO WEARING COLOR

SAME COLORS. NEW OUTFIT.

Change the placement before you change the wardrobe.

BLUE ON TOP

BLUE BELOW

01 CHOOSE YOUR PAIR

Find two pieces in colors that work together.

02 SWITCH THE BALANCE

Try the lighter color on top, then below.

03 ADD ONE SUPPORT

Use a third color in one layer or two accessories.

Use the closest shades you already own. You do not need an exact color match.

FLIP THE COLORS.

BUTTER

BURGUNDY

+ INK NAVY

WHAT

Butter + burgundy.

HOW

Switch the colors between top and bottom.

WHY

A new balance changes the whole outfit.

FROM COLOR TO COMPLETE OUTFITS.

Three questions to ask before you leave the mirror.

01

PROPORTION

Does the length of the top work with the skirt or trousers?

02

FINISHING

Do the shoes, bag and belt repeat a color already in the outfit?

03

REAL LIFE

Can you walk, sit and move comfortably in the complete look?

Color is the starting point. Fit, proportions and finishing details complete the outfit.
